FMC Logistics (UK) Ltd is dedicated to offering bespoke logistic services for manufacturers, third party logistics providers (3PL), individuals and distributors.

Our Highest Priority is Customer Service….

Most of all, we believe in building long-term relationships with our clients.
The resulting in-depth knowledge of their requirements gives us the ability to deal with every freight challenge that may arise. We particularly specialise in those from the Indian-Sub Continent, Turkey and China as well as many other international locations.
